My dear Mr Johnson; It will give me a
great pleasure to meet my fellows of the
Anthrop. Club at their house of December 28th
since the completion of Mr Huxman's
American Anthropology, and only ill health,
or some other ^{calamity} ~~injury~~ will prevent my
attendance, which I regard as a duty, in view
of my long acquaintance with, and regard for
Mr Huxman, as well as the pleasure I am sure
it will. I have known him nearly fifty years

Yours truly

R. H. Stoddard
